For: GROUP III NITRIDE LED WITH UNDOPE  
CLADDING LAYER AND MULTIPLE  
QUANTUM WELL

Group Art Unit 281  
Examiner Sara W. Crane

September 12, 2003

Commissioner for Patents  
Alexandria, VA 22313-1450

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

The items in this statement are respective Expert Reports that were generated in response to discovery requirements in a lawsuit. The Assignee has actual knowledge of these reports. Because of confidentiality obligations, portions of the original reports have been redacted for purposes of this Information Disclosure Statement. These reports are not available to the public. Applicants submit, however, that the information that is relevant and material to the pending claims is available from the non-redacted portions of these reports.

For date purposes, and on information and belief, these reports were created after the filing date of the pending application and thus Applicants submit that the reports do not represent prior art. They describe, however, light emitting diodes (LEDs) that may have been available more than one year prior to the filing date of the pending application and thus they include information that may be material to the evaluation of the pending claims.

This Information Disclosure Statement is submitted in accordance with 37 C.F.R. § 1.97(c), before a final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application. We enclose a check for the \$180 fee specified in 37 C.F.R. § 1.17(p). The Commissioner is authorized to charge any additional fee, or credit any refund, to our Deposit Account No. 50-0332.
